3 Strategies for Small Business Owners to Protect Their Personal and Business Assets

In today's litigious society it is important to understand the personal risks you face conducting the day to day operations of your business. Regardless of what type of business you own, you can lose your hard-earned money from one lawsuit.

Statistically speaking, roughly one in four businesses will be sued over the next year. Unfortunately, this means that receiving a lawsuit in your mailbox is not a matter of "if" but rather a matter of "when". By preparing for this inevitable reality before it happens you can prevent major

losses to your net worth and sleep soundly knowing that your key assets are protected.
