Is your business too small for Business Succession Planning?

Absolutely not! No business is too small to plan for its future! Small businesses, especially those run by families are in more dyer need of Business Succession Planning. Many small businesses, including those run by families, run across many generations and the only way to accomplish this goal is to preemptively plan for successors to take over the business when original key executives choose, or are forced to leave the business.

It is always important to remember that your business can live perpetually - but you cannot! However, your hard work in establishing and growing your business can reflect in your businesses' lifetime if you plan for its future.
