## ASSET PROTECTION ATTORNEYS

### ***Is the international asset protection trust (IAPT) the best entity for international assets?***

The international asset protection trust (IAPT) is the traditional protective entity. It became popular in the 1980's because of the escalating need and demand for lawsuit protection. But international trusts can be used for other purposes: To avoid forced heirship laws, for premarital planning, estate planning or international business planning. The international trust compares to domestic irrevocable trusts, though for many

reasons, the international trust is considerably more protective. The primary reason is that the international trust is *foreign*. That one difference is critical. U.S. trusts are *always* vulnerable to creditors and creditor friendly U.S. courts. The IAPT is immune.
