Domestic vs. International Asset Protection

Determining whether you need Domestic or International Asset Protection, or both, depends entirely on the type of assets you have, the level of protection you are looking for, and the amount of money you are willing to spend on protecting your assets. The decision of where to protect your assets ultimately comes down to what you and your Asset Protection Attorney deem is best for your assets. There are many different factors that must be taken into account when making this decision:

Location - Regardless of whether you choose to set up a Domestic or an International Asset Protection plan, you will want to pick a jurisdiction that has the best Asset Protection Laws.
