DIGITAL ESTATE PLANNING

April 22, 2015 at 1pm

[Click Here to Register](#)

Key issues include, but are not limited to:

The importance of a Digital Estate Plan
Preparing and inventory list of digital assets and how to access them
Where to store your digital inventory
Naming a digital executor
Specific instructions upon your death
Estate laws regarding digital assets

And much more...

Attorney Elise Gross, Esq., LL.M. (Of Counsel to The Presser Law Firm, P.A.) delivers a highly educational, interactive, and in-depth presentation on both Asset Protection Planning and Estate Planning.

Elise is an Adjunct Professor at Florida Atlantic University in Boca Raton, Florida. She teaches Wills, Trusts and Estates. The presentation is done in an easy to understand manner that allows the audience to not only truly grasp the concepts immediately, but enables them to implement the strategies the very next day.

The audience will be able to participate by asking their own questions in the Q and A portion of the Presentation. Elise strives to provide her audience with the ability to instantly implement their newly found knowledge in their everyday lives.
