What are the best ways to financially protect your assets against divorce?

Unquestionably, a fair, legally-binding pre-marriage agreement is your safest way to secure your assets. A pre-marriage agreement is a written contract between intended spouses which specifies how their marital property and income shall be divided should they divorce. And contrary to belief, pre-marriage agreements aren't only for the wealthy. More couples with average income and wealth now use pre-marriage agreements as an efficient,

equitable way to settle matters in advance of a future divorce. Pre-marriage agreements also resolve complex issues that are less easily reconciled by a divorce court.
